

Heather Lopez

Joining the parish staff in January 2024, Heather succeeded a much-loved, much-respected and highly capable Parish Administrator whose tenure numbered 26 years ... a formidable situation for anyone to face! But she quickly proved herself a more than exemplary successor in every respect and her abilities in administering the parish continue to amaze.

A native Texan – born, raised and still residing in Farmers Branch ... mother of three children and wife of a general contractor, Heather comes to the parish with an extensive background in the business, legal and accounting world. Educated at Brookhaven College, Farmers Branch in accounting and at the Professional Development Institute of the University of North Texas as a Paralegal, she served in this capacity at an Addison, Texas law firm for seven years, until establishing her own bookkeeping services business in 2020 ... a service she continues to exercise and maintain even while helping to “run” this parish! More than capable of doing both, she is a great addition to our staff and parish family.
